Dear Distributor

## **Product Approval Information Document**

You are receiving this Product Approval Information Document as you are involved in the distribution of an insurance product ('product') co-manufactured by Accelerant Insurance Europe SA/NV.

Please read this document carefully as it includes important information about the co-manufacturers, product and associated product approval process and fair value assessment.

### **Co-Manufacturers**

Accelerant Insurance Europe SA/NV ('Accelerant') is an insurance company authorised under code 3193 and regulated by the by the National Bank of Belgium and the Financial Services and Markets Authority in Belgium. In the UK, Accelerant is deemed authorised by the Prudential Regulation Authority ('PRA') and subject to regulation by the Financial Conduct Authority ('FCA') and limited regulation by the PRA. Full details of Accelerant's regulatory status can be found at: [www.accelins.com/regulatory-status/](http://www.accelins.com/regulatory-status/).

Accelerant co-manufactures products with carefully selected Managing General Agents ('MGAs'), with products underwritten and distributed exclusively through these MGAs. The name and contact details of the MGA involved in co-manufacturing the product detailed in this document are provided in the Product Information section on page 3.

### **Product Approval Process**

In accordance with Accelerant's Product Oversight and Governance Policy, the product detailed in this document - please refer to the Product Information section on page 3 for details - has been reviewed and approved by the firm's Product Oversight Group. The product is subject to ongoing monitoring and formal periodic review by both Accelerant and the MGA as co-manufacturers. Where a significant adaptation to the product is proposed, it is reviewed and, where appropriate, approved prior to the adapted product being marketed or distributed to customers.

### **Fair Value Assessment**

In accordance with the regulatory requirements outlined in PROD 4.2 of the FCA Handbook, the co-manufacturers have analysed a range of value measures and subsequently deemed the product outlined on page 3 to represent fair value to the customer.

To ensure the customer receives fair value from this product, care must be taken to ensure that no duplicate cover exists, for example, where another product has been purchased by a customer alongside a primary product (i.e. an add-on). Where additional services or products - including premium finance - are provided by you alongside this product and/or you receive remuneration in the form of commission and/or fees, this information will have formed part of the fair value assessment. In accordance with regulatory requirements, all commissions, fees and other charges passed onto the customer must be proportionate to the service provided and represent fair value.

Should you wish to:

- request further information on the product outlined in this document;
- request further information on the product approval process and/or fair value assessment;
- provide new information, or an amendment to information already provided, in relation to any additional service(s) and/or product(s) provided and/or any additional remuneration received (e.g. commission, fee or other charge); or

- highlight any concerns about whether the product provides fair value to the customer

please contact the MGA involved in co-manufacturing the product whose contact details can be found in the Product Information section on page 3.

Yours faithfully

**Frank O'Neil**  
**Chief Underwriting Officer**

## Target Market

Our target market is UK commercial clients who typically have a turnover of between £1m and £50m. All business is placed through professional insurance brokers who we work with to target clients with tailored underwriting solution across specific trade sectors. The underwriting appetite is for hospitality, retail, manufacturing and warehousing exposure that align with Burns & Wilcox's underwriting experience, policy wordings, claims expertise and risk management capabilities. Main excluded trades are hauliers, construction contractors, pharmaceutical, nightclubs and offshore.

## Types of customer for whom the product would be unsuitable

This product would not be suitable for consumer clients, non-UK clients and clients who do not appoint a professional insurance broker.

### **Any notable exclusions or circumstances where the product will not respond**

Wordings will be reviewed between underwriters and Burns & Wilcox. Standard Exclusion clauses apply. Main exclusions include:-

- The excess(es) shown in the quotation and schedule
- Losses that occurred prior to the commencement of the insurance policy
- Losses, (excluding Employer's Liability) in any way attributable to coronavirus or mutations thereof and any infectious disease designated or treated as a pandemic by the WHO
- Losses resulting from war, radioactive and/or nuclear fuel or waste
- Losses arising from damage destruction distortion corruption erasure or alteration of electronic data
- Any claim that may expose Burns & Wilcox to any sanction, prohibition or restriction by UK, EU or US trade regulations
- Any liability arising from companies domiciled outside the UK
- Any liability arising from bodily injury claims arising out of offshore work or visits
- Any liability arising from compulsory cover required by road traffic legislation
- Public and Products Liability cover arising from professional services provided for a fee
- Public and Products Liability cover arising out of the ownership, possession or use of any aircraft, hovercraft, offshore installation or watercraft
- Public and Products Liability cover arising from asbestos, asbestos products and aircraft components
- Public and Products Liability cover arising from pollution and contamination unless caused by a sudden identifiable unintended and unexpected incident
- Public and Products Liability cover arising from exports to North America unless specifically agreed otherwise
- Damage to any property in the Insured's care custody and control - Costs incurred in the recalling or making refunds in respect of any products

## Other information which may be relevant to distributors

The Product is subject to periodic controls which includes a review of management information relating to claims, complaints and renewal retention rates. In addition declinatures and conversion rates are measured and monitored at least on a monthly basis. The complaints volume for the product remain low and root cause analysis undertaken does not indicate that there are systemic issues with the product which may affect customer outcomes or product value.

<b>Date of Fair Value Assessment Completed:</b>	19/12/2024
---	------------

### Assessment Outcome:

This is a standard market product arranged and distributed via a regulated broker providing advice to the insured. Each party in the distribution chain providing a service that is commensurate to their remuneration levels. There is nothing in this product that would indicate that fair value is not provided to the customer.

<b>Expected Date of Next Assessment:</b>	01/01/26
